

Trafinz Leadership Awards 2021

Trafinz Safety Merit Award

Drive my Life - Road Safety Southland

Is a great safety initiative which will have long term safety effects within the NZ transport system when delivered across NZ especially within the challenging and deprivation areas it is designed for to create inclusive and equable transportation accessibility for people.

Trafinz, judging of this submission indicates an initiative of long term sustainable driver safety and supports promoting this driver safety approach initiative by awarding a Certificate of Merit.

The Institute hopes that this award will enable this team to demonstrate more evidence of success in achieving sustainable driver safety outcomes and that it will also promote its application NZ wide.
